

Tailored IT Solutions for Federal, State & Local Government | 50+ Years Combined Expertise

CORE COMPETENCIES

Network Infrastructure & Management

Enterprise LAN/WAN design, deployment, and lifecycle management for federal and civilian agency environments.

Cloud Computing & Migration

FedRAMP-aligned cloud strategy and multi-cloud ops across AWS GovCloud, Azure Government, and GCP.

Cybersecurity & Compliance

Zero Trust, NIST 800-53, CMMC, FISMA, and FedRAMP compliance advisory and implementation services.

Data Center Operations

Co-location, virtualization, hardware refresh, disaster recovery, and 24/7 NOC for mission-critical environments.

IT Help Desk & Managed Services

Tier 1–3 support, ITSM tooling, SLA-backed incident response, and remote/on-site end-user assistance.

IT Consulting & Digital Transformation

Technology assessments, enterprise architecture, program management, and agency-aligned digital roadmaps.

PAST PERFORMANCE & EXPERIENCE

RDESK LLC delivers 50+ years of combined IT expertise across regulated industries whose compliance demands directly mirror government requirements.

Legal & Compliance-Heavy Environments

Secure networks and Tier 2/3 help desk for law firms with strict data-privacy mandates — directly translatable to federal CUI handling and records management.

Biotech & Research Institutions

Cloud migration and data center operations under HIPAA/21 CFR Part 11, producing rigorous security controls and audit-ready documentation.

Higher Education & Energy Sector

Multi-campus LAN/WAN comparable to distributed federal networks; 24/7 NOC and cybersecurity under NERC CIP for critical-infrastructure clients.

WHY RDESK LLC

■ Mission-First Mindset

Every engagement is engineered backward from agency mission outcomes — not just SOW line items.

■ Security-by-Design

Cybersecurity embedded at every layer — from network architecture to help desk workflow — never bolted on post-delivery.

■ Agile & Scalable Delivery

Senior-led teams scale rapidly for surge requirements. Direct access to senior engineers from Day 1, no large-integrator overhead.

■ Cross-Industry Compliance Depth

Decades in HIPAA, NERC CIP, and legal privacy mean our team operates in terms of controls, audits, and evidence packages.

■ Small Business Advantage

Partnering with RDESK LLC helps agencies meet small-business targets while receiving enterprise-grade capability.
